Sale Manager's Message

Forty-Three Years of experience have gone into the building and improving of the Forest Glen Polled Shorthorn Herd. Harvey Fishpaw is very well known in the industry as a breeder of good, sound cattle, backed by rich polled pedigrees and as a man of complete integrity. His retirement is a considerable loss to the business.

Harvey's cattle are raised under practical farm conditions. They are not highly fitted. You will buy them as they come from the pasture. His cattle are healthy. His operation does not permit the keeping of unproductive animals. Every cow has had or will have a calf this year. The dry cows and bred heifers show their own guarantees of being safe in calf.

Here is a real opportunity for the pure-bred breeder to add healthy, prolific, sound cattle of excellent ancestry to his herd and for the commercial cattleman to bring an additional measure of these desirable qualities into his operation.

THREE BUILDERS OF POLLED SHORTHORNS

Bill McCeney (deceased), Harvey Fishpaw and Harry McCann.

A Message From Harvey Fishpaw

We have spent over forty-three pleasurable and profitable years building and improving our herd. These years of association with Shorthorn Breeders have proven to us that they are the finest of people, so our decision to disperse has been made with great reluctance and regret.

When fitted and shown, Forest Glen Cattle have made good records in all types of competition.

None of the cattle selling in our dispersal will be fitted; however, they are in good breeding condition and are the kind that will produce show cattle. All of the cows are regular producers. The three herd bulls are siring top calves, and we believe they are good enough to improve any Polled Shorthorn herd in the country.

A warm welcome to inspect the cattle prior to sale day is extended to all. Because of the large number selling and the early starting hour, we especially hope that you will arrive the day before to look over the herd. Please let us know if we can answer any questions about the cattle or do anything to make your visit to Virginia more pleasant.

We look forward to seeing you at Forest Glen.
